7. LIGHTING

Please don't underestimate how many candles we will need – typically ½” candles will burn 6-8” per show given that including the doors period they are burning for c. 130 minutes.

If you can provide more candelabrum than this, that's always better for the show.

CANDELABRA	WHO'S CANDELABRA? CANDLE

2x tabletop candelabrum	Prop 5 x ½” or 1” candles
3 x Full floor standing candelabrum	Venue to provide Preferably tall candles look best!
4 x table-top candelabrum	Venue to provide Candles to suit stands.

Other lighting notes:
